**Training led by: Kimberlee Shoecraft, MSW**

*In-depth discussion and training for group leaders in the empirically supported Incredible Years® programs.*

**January 19 & 26, 2022**  
**9:00am - 12:15pm PST**  
**\$310**

### ABOUT THE TRAINING

This online 2-day supplemental training will prepare group leaders to adapt the Incredible Years parent group-based model to a one-on-one parent-coach model.

Group leaders who have previously attended a BASIC Parent Group Leader training may register for this online 2-day supplemental training. The Home Coaching program can be used to deliver the entire parenting curriculum or for a make-up session for parents who have missed a group session. The home coaching model is a good option if parents cannot attend a group due to schedule conflicts or if there is an extended delay before the next parent group will be offered. This model can also be used as a supplement to the group for parents who need additional coaching with their children.

Our online trainings are intended to be highly interactive and collaborative. Attendees should plan for active participation!

**!** Basic Parent Group Leader Training is a required prerequisite to attend Home Coach training.

- Increase family support networks and school involvement/bonding.
- Help parents and teachers work collaboratively to ensure consistency across settings.
- Increase parents' involvement in children's academic-related activities at home.

**Online Parent Home Coaching Leader Training runs Wednesdays, January 19 and 26, 2022.**

This Zoom tele-session training will be held over 2 sessions, on **January 19th and 26th, 2022**, from **9:00 am - 12:15 pm Pacific Standard Time**. Please note that we are in the Pacific Time Zone (Seattle, WA, USA). If you live elsewhere, please calculate time change to see if this will fit with your schedule. To receive your certificate of attendance and be eligible for Group Leader Certification you must be able to participate in and complete the full training.

**The Basic Parent Group Leader Training is a required prerequisite, and only group leaders who have had Basic training will be admitted to the Home Coach Training.**

Our online trainings are intended to be highly interactive and collaborative. Attendees should plan for active participation, and be free from other distractions. **Please plan to participate over a computer** (not a cell phone), with your camera turned on and your face in frame, with your computer microphone enabled. Seeing each other's faces adds greatly to the group cohesion and building trust, and models the way we expect the program to be delivered when offered online whenever possible. Please add your name to your Zoom profile so that our trainer can use your name during discussions.
